Dear Hiring Manager,

The Root Level,

Subject: Application for Django Developer.

Dear Sir/ ma'am,

As a highly motivated and dedicated student with a programming and algorithms skills I would like to apply for the vacant position of Django developer at your organization. As the student of computer science, I have completed several minor projects on different platform.

Personal attribute that makes me suitable for this position include:

- Python (completed some minor projects)
- Web Development
- Django (completed two projects)

My teacher and educators are impressed with my timely delivery of my college project with great documentation. I enjoy working in a group and have great communication and interpersonal skill.

I believe I have lot to offer your organization if given chance. I will be dedicated hardworking and asset for the company. I have enclosed a copy of my resume for your consideration.

I can be contacted on the details provided above.

Thank you in advance for your time.

Sincerely,

Utsav Subedi
